Important Notes:

Mobility Requirements

While in New York City the majority of the time is at your leisure. A moderate amount of walking will be required; however, this can be done at your own pace.

Tour Director and Driver

Your Tour Director and Driver play an important role in making your vacation as memorable and hassle-free as possible. While optional, gratuities are a great way to show your appreciation. The suggested industry guideline is \$3.00 to \$6.00 per person, per day for your Tour Director and also your Driver. This should be extended on a voluntary and individual basis at the completion of the tour.

Travel Insurance

Your tour price does not include travel insurance. If you are covered, we advise you to look into coverage details, if there is a deductible, if you need to pay up front, and where to call in case of emergency. We highly recommend medical, trip cancellation and trip interruption coverage. If you would like a quote, please call our office at 1-877-214-5367.

After Booking

- We will send you your receipt and proof of reservation via email or mail.
- Before final payment we will reach out to you via phone or email to remind you of your final balance and determine final method of payment.
- About 2 - 3 weeks prior to departure we will send you your Detailed Itinerary which will feature exact times and locations as well as details on your Tour Director.
- Around one week before departure you will be contacted by your Tour Director via email or by phone to introduce themselves and ask if you have any questions before departure.
